

I came to work at the Curry House in June of 2006. I have had the advantage of working all three shifts here. My husband, Paul and I moved to the McBain area with our three children – Sarah, Josh and Jake. My husband wanted to move from the “busy” City of Zeeland to the country. We have been married twenty years as of last August.

Before getting married, I worked twenty years for BilMar Foods/Sara Lee in the payroll and Benefits Department. In 1996 I became a stay at home mom and ran a daycare in my house. I went back to work full time after my children were in school.

Paul works for Marion Lumber. Our daughter is a pharmacy tech at Walgreens and attends NMC in Traverse City. Josh is a freshman at Michigan Tech in Houghton. Jacob is a senior at McBain High School and plans to attend Grace Bible College in the fall.

I believe Curry House has the best caregiving staff. Each one gives the care that they would give to their own parents and family. I look forward to many more years at Curry House. My free time is spent going back to Zeeland to help care for my own parents, who are 85 and 87 years old. I also love reading self help books.
